Mia Rose

HORNY

EX-STRIPPER

Like the old saying goes, you can take the girl out of the strip club, but you can't take the filthy stripper out of the girl. Mia Rose started getting naked and grinding poles for a living when she left home at eighteen. She got a job at a hot-shot club in New York and before she knew it, she was married to its much older owner. The only reason she married him was for money, even though he didn't know that. Her husband made her quit her job at the club. She might have agreed to leave, this guy is filthy rich, but Mia Rose is still showing off her flexible body to strangers, except now—she also fucks them wild. She ended up divorcing the old coot, taking all his money with her.

Lexi Love

SECRET SLUT

Lexi Love was the perfect wife-next-door. She had a husband, who also happened to be the city's mayor, two kids, a dog, a big house and even a white picket fence. She was on the PTA and baked cookies for bake sales, but she also had a big secret. She was a slut that just wasn't satisfied until her ass was stretched wide by a big, hard dick. She's an anal nympho but her husband refused to do anything other than the missionary position. And even that took a lot of begging from Lexi. She'd gotten used to using her plastic toys until one night, she'd had enough. Lexi drove far out of town and went into the first sleazy bar she could find.

Telling the guy at the bar she wanted to fuck his brains out, Lexi took him back to a fancy hotel and showed him her sopping wet box.

She couldn't wait to taste him, she almost sucked off his balls. Then the closet slut pushed her slit out and demanded service in kind.

Lexi didn't ask; she took. One look at the fully erect dong before her and she had to mount it. She slammed onto the prick with all of her force, yelling out in ecstasy.

Lexi wasn't going to stop until her ass could take no more. The pain mixed with pleasure was too much - her cum was flowing like a river.

Lexi's had enough of using toys. Who
could deny her a helping cock?

If you have a story about one or more of your erotic experiences, then go write ahead. You can send your stories to the Editor, Blair Publishing, Inc., 9030 W. Sahara Ave. # 422, Las Vegas, NV 89117. I grasped his hard cock through his thin swimsuit, pulled him closer. "Come here, you," I murmured, rubbing the man's fine erection.

He glanced nervously around, over the fence at his own backyard. "I-I don't know about this, Deidre. Shoshanna might be coming home any minute."

I smiled at the throbbing appendage in my stroking hand. We were out by the swimming pool, hunky David and his beautiful wife, Shoshanna, having a standing invitation from me to use my pool whenever they felt the need. David had felt the need on this blazingly hot late afternoon, and now I was feeling his deeper need, swelling even longer and harder between my fingers.

"You said she was gone for the day, didn't you? Visiting a girlfriend."
"Yes, but ..."

I slid my bare legs over the side of the lounge, put my bare feet down on the sun-warmed tiles, never taking my hot hand off David's surging cock. "But this," I breathed, opening up my fingers and licking the length of the man's penis through his Speedo.

He shuddered, the muscles on his tanned body jumping and clenching. His strong hands dove into my thick, black hair, fingers grasping, as I licked his stretched dick again, and again.

I was wearing just a sleek blue one-piece myself, my large breasts and untrimmed pussy bulging the skimpy material, needful nipples poking almost

MARRY MAKING

right through. I was wetter than the sparkling waters of the pool, David harder than the cement bottom, as I tongued his swollen member.

"Please! God, Deidre! Shoshanna ... I-"

I put him out of his indecisive misery, hooking my predatory talons into his swimsuit and tugging it down, fully exposing his blatant want, taking the bulbed tip of his circumcised prick into my hungry mouth.

"Oh, fuck, yes!" he groaned, his knees buckling.

I gripped his trim hips and humped my bee-stung lips down his veined shaft, devouring his meat. I'd never met a cock I didn't like – to eat.

I inhaled the quivering man almost right down to his bushy brown pubes, then held him there in my hot velvet mouth, gasping and grunting. Before I sucked slow and tight and wet all the way back up his prong again.

He pumped his hips, pulled my head back and forth, fucking my face; speaking with his cock, no more

about his darling wife. I dug my fingernails into his flesh and sucked air through my nose, relaxing my throat muscles, letting him churn my mouth long and hard as he wanted. He wanted more. He wanted to stick his huge, pulsing pipe into my juiced-up pussy. I was more than willing to accommodate, like any good, over-sexed neighbor.

I got him to stretch out flat on his back on the tiles next to the pool. Then I stood in between his legs and stripped off my swimsuit. He stared up at me, admiring every inch of my tight, tanned, titted body, pulling on his boner with deft, hard strokes. I squatted down, positioning my dripping pussy over top of his hard-on. "Oh, God, yes, Deidre!" he groaned, as his cockhead penetrated my matted fur and parted my slickened petals.

I sunk my claws into his muscle-

humped chest, my butt down onto his groin, taking his towering pole all the way inside my pussy. He filled me deep, with exquisite sensations.

I went onto my knees, started bouncing up and down on his erection. He grabbed onto my ample butt cheeks and pumped his hips, driving his stake into my cunt.

We did it right out there in the open under the glaring sun. Two neighbors fucking; a horny married man and a horny marriage-loving woman. I bounced faster and higher, David thrusting harder and quicker.

I bent my head down and mashed my mouth against his, our tongues twining together. The urgent smack of his thighs against my cheeks, the erotic sluicing of his cock in my cunt, filled the heated air, crescendoing rapidly

to climax.

"Oh, Deidre!" David bleated. He jerked beneath me, shooting hot steaming sperm inside me.

"Yes!" I cried, riding high and shuddering, drenching the man's spewing cock with my own molten orgasm.

It was quite the show – for sexy, young Shoshanna watching from inside my home behind the tinted sliding doors. I was the 'girlfriend' she'd gone to visit. We'd been fucking all morning and afternoon. Until her handsome husband had shown up looking all lonely and hung.

Married couples are my favorite people to make it with.

-Deidre Zuk

Victoria

ORGASM FOR REVENGE

He wasn't aware that she knew, but she did. Victoria had come home early one night to the sounds of her husband fucking her best friend. Instead of walking in on them, she decided to let herself out - revenge would be much more rewarding, and much stickier and hot. Victoria had always fantasized about being rammed by two men and this was her excuse to make it happen. She knew just the men too. If her whore friend wanted to play, she was going to play, and win. She called up her friend's husband and her husband's best friend and told them to meet her for a night they wouldn't soon forget. Especially because she was going to photograph it all for her hubby.

The excitement turned Victoria into an unstoppable whore. She was crying in pleasure as she stuffed her wet pussy and hungry mouth with cock.

She had to have it everywhere. She was turning into an uncontrollable nympho that wanted to be split open. She grabbed both pricks and stuffed her mouth and pussy, wildly bucking her hips and moaning in ecstasy.

Her husband always wanted to ass fuck her tight buns but now, his best friend was going to take her virgin hole instead. She pumped up and down without mercy laughing about her revenge.

The dong was too big for her tiny hole,
she could feel it splitting her open. It felt
so good the newfound whore got on her
knees and begged for more.

Can you help Victoria get her sweet,
cum-filled revenge?

OFFICE FUCK

The staring, the groping and the ass grabbing - Tyler Faith was used to all these things at the office. She knew her boss found her sexy, she could tell by the bulge that always formed in his pants when he saw her. She felt guilty about cheating on her husband at first, but he hadn't given her a proper fucking in months, and she really wanted to become a partner at the law firm. She knew she was just as smart as all the others who were up for the position, which came with an incredible pay raise, and she knew that she needed to do something that would make her stand out. Lucky for Tyler, she had a body she knew how to use to make a very persuasive case for herself.

Being a lawyer, Tyler knew how to thoroughly examine all the evidence before her. She deep throated his entire shaft, making sure to completely taste every inch.

As soon as she spread her dripping slit open for him, she knew she was going to get the job. Now, she could just go ahead and enjoy it.

Aurora & Dulce

NEIGHBORS WITH BENEFITS

Being neighbors can really bring people together. Aurora and Dulce first met when Aurora and her man moved in next door and their two husbands became instant friends and golf buddies. The two fuckable tarts became good friends too and every time their spouses would go off for a weekend on the golf course, they would spend time together. Soon enough, shopping and movies got replaced with sex. Aurora had to taste her exotic friend and Dulce's cunt got wet just by looking at Aurora's milky white skin. It wasn't long before they started sneaking off at least once a week for a steamy session.

They strip for each other and moan through a little fingering to get their hot pussys ready for each other.

Aurora missed being stuffed with a rock-hard rod, so she brought in a third fuck buddy, her gardener, whose body she and Dulce could use for pleasure.

Dulce needed pussy or she was going to explode. She had to taste her neighbor's cum so she lapped her into a frenzy, flicking her tongue in and out of her friend's tight hole.

This spanking hot duo is always
ready for a new fuck toy.

Mia Bangg

**TAG TEAMING
TEMPTRESS**

Storenys.com
When you've been married for ten years like Mia has, it gets harder and harder to please your husband. Her body was a smoldering as ever, but her spouse didn't look at her the same way he did when they first tied the knot. He rarely wanted to fuck her and nothing seemed to excite him anymore. Mia tried everything: lingerie, role playing, S&M - nothing worked. Then, she had a brilliant idea: she was going to make him watch her get fucked by a strange dick. And to make things even kinkier, she was going to make that two. Two cocks pounding her while he watched - it just had to make him horny for her tight body again.

Mia started with a bang by making the three men sit and watch as she did a slow striptease on the floor and played around with her clit.

Long time gone, do you want to fill in?

Every time he would come over, which was at least three times a week, he would spend the evening watching sports with her husband in the man-cave. He wouldn't talk to her but when he did pass by her, he'd make a comment about how she looked like a young schoolgirl. Ann knew he was flirting, her husband had joked about the same thing when they were first dating, but she thought nothing of it; it had to be the beer talking. That's what she thought until one Saturday, when her husband was out of town on business, he rang her doorbell.

Ann Kelly

ALL GROWN UP

He didn't have to say anything. He whipped out his hard dick, the biggest she had ever seen, and she dropped to her knees, taking it in her mouth like a good little girl sucking on a lollipop.

Ann mounted him without saying a word. She just gasped, out of breath from her wild pumping as her pussy gripped his dick and didn't let go.

Even when he was inside her, she needed to taste him. She rubbed her wetness and licked her fingers clean.

She got on her knees and didn't move, offering her smoking hot hole, letting him use her body like the slut she was.

I'm fucking the MILF next door, Mrs Edwards, and it's all my mom's fault. See, I wasn't doing too well in history and mom came up with the bright idea that I go to Mrs Edwards.

She's a tall, leggy brunette, aged I think late 30s, though she looks younger. I'm only 18 so she should look really ancient, but if you'd seen Mrs Edwards you'd think that I thought: fuck, that's a mom I'd really like to fuck.

Mrs Edwards – I never call her by her first name, which is Katrina – has two kids, aged around 16 and 18. But they didn't ruin her figure, because she works out. She's got a great rack, nice, shapely butt, only not too big, and like I said, these terrific legs.

She's very pretty with big brown eyes. I'm short, blonde with big blue eyes and I work out too – with my cock!

So there I was, moaning on about the reasons for World War I – or "the Great War" as our fuckin' history teacher insists on calling it – and mom said: "Look, I'm going to ring Mrs Edwards and ask her to give you some private tuition."

I opened my eyes wide. "What the fuck would she know about the mouldy old war?"

MILF

And mom said: "She's written a book about it, don't ask me how or why, but it's well received by the critics. So I'll call her."

And the next day, when mom was out with her fuckin' golf four on the piss, Mrs Edwards rang our door bell. She was in a tight, white blouse, with those big bumps of breasts, and a short miniskirt, made of black leather. Her legs were bare, but nicely suntanned,

and she was in high heels.

"Hi Jason," she smiled. "Your mom says you could do with some tuition. Can I come in?"

I stepped back. "Hell yes, Mrs Edwards, come on upstairs and I'll show you what I've got to do."

I ran upstairs and sat down at my desk and pulled the sheet from Mr fuckin' Pearson with his question, which needed an essay to answer it. Mrs Edwards took one look at it, glanced at me and then sat on my bed and patted the place beside her.

I sat down next to her and felt the heat of her yummy body, which pressed against my arm and upper torso. "Jason, how do you present these essays – can you do 'em on the word processor? Print 'em out?"

I nodded. "Yeah, everyone does it that way."

"Right," she said, tossing the Mr Pearson question sheet to the floor. "I'm gonna email you an essay, you can turn it into the print size you always use for essays. I'm gonna make some mistakes, so it won't be perfect, but it'll get you a pass, OK?"

I nodded, dumbly. This was great!

"And now, Jason," she said, "per-

haps we can start." And with that, she unbuttoned her blouse and tossed it onto the history sheet lying on the floor. Her breasts were in what I think they call "a half-cup" brassiere, you could see the brown crests of her areolae just above her full, thick nipples. I bent my head and kissed the breasts that were exposed.

Mrs Edward reached behind her back and unclipped the bra, then it joined the history paper and the blouse. I buried my face in her breasts, sucking at her nipples and holding her close, scared she'd get up and go.

Then she stood up, but my mouth was glued to her magnificent mammaries, and I kept sucking and

licking and slurping on 'em. Her next move was to push down her skirt, and kick it away. Her mound was covered by a bright red thong. As soon as I saw that – I'd pulled back from her rack for a moment – I went down on my knees and started to lick the full, firm mons. Then she pushed the thong away and I smelled this fantastic female aroma as the perfume of her pussy wafted up to my nostrils. I was in sex heaven!

I licked away at her, and her hands grasped my head and jammed me against her crotch. Then she started to rock back and forward, rubbing her snatch across my nose and mouth, and it was all slippery and wet from her arousal. Fuck, she's got a terrific pussy!

As I was on my knees kicking at her, I pushed my shorts off and when she'd climaxed – it wasn't a noisy or long cum, but I knew she had her orgasm – I stood up and she reached out and felt for my cock and balls. I've got a thick cock, and although it's only six-and-a-half inches long, I make up for lack of length with good thickness.

"Shoot, Jason," she said, her eyes wide as she felt my stiffy, "that's some cock. Wanna put it up my cunt?"

I didn't think it was the sort of thing historians were supposed to say – not that I knew any, really, 'cepting Mr Pearson and he's an amateur compared to Mrs Edwards – but I nodded eagerly.

Mrs Edwards knelt up on the bed and presented me with a great view of her brown anal whorl, then lower down her pink outer cunt lips, then her redder labia. I stepped behind her and placed my helmet against her cunt, then drove deep up her. She came out with a big sigh as I penetrated her glorious sex tunnel. Then I started to hump her, slowly at first, then faster and faster as my orgasm got closer and closer.

"Don't cum in me, Jason," she said, urgently, and as I slithered out of her gaping cunny, she sat on the bed, and pushed her lush titties up against my quivering cock and I came hot and hard all over her flesh there, shooting wads of jizz everywhere. As soon as I'd finished, I ran to the bathroom, fetched her a towel, and helped her clean up.

Well, that was the first time. Now Mrs Edwards and I fuck a lot. The quarter back on our high school football team – I'm his best wide receiver – has an "in" with a guy who runs a motel just out of town. Mrs Edwards and I meet there twice a week to make out. I still can't cum in her vagina, but she's given my visitation rights to her asshole, so I can cum there.

Mr Pearson says my history home-

work has improved out of sight and who has been helping me? "Well, sir," I told him, "I really have my mom to thank. She insisted I get better grades, so I've been working at it."

A lie of course. What I've been working at is fuckin' Mrs Edwards!

-Jason
